A community support service that provides grocery delivery services to eligible seniors and adults with disabilities who live within the City of Hamilton. Takes individualized grocery lists from clients, shops in the store of the client's choice, and if required puts the groceries away upon delivery. There is a service charge based on the amount of the grocery bill. If a client is in need of the service, but is not in charge of their finances, the program will work with their caregiver and shop for them and deliver. An extra charge is added to this service.
